Tertiary Package

Standard Package

Please make sure you refer to the Senior Course Guide for clarification of BSSS requirements, studying in Years 11 & 12 and course information.

- » Students are to consider College recommendations when selecting the English course they wish to study: : English (T), Literature (T), or Essential English (A) Contemporary English (A).
- » All students are to complete a minor in Religion in or before (applicable to early access students) Year 11.
- » Students are to consider College recommendations when selecting the Mathematics course and level they wish to study. Refer to the Senior Course Guide for details. Students wishing to undertake Specialist Mathematics must also study Specialist Methods. The ANU now requires students to undertake a minor study in mathematics as either an A or T course.
- » What package are you interested in: Tertiary or Standard?
 - ♦ A **Tertiary Package** student must have 20 points by the end of Year 12
 - ♦ A **Standard Package** student must have 17 points by the end of Year 12
- » Students wishing to enter university are advised to study a Tertiary Package.
- » Students wishing to enter the workforce, pursue an ASBA or study at CIT are advised to study a Standard Package.
- » **TERTIARY PACKAGE STUDENTS MUST HAVE:**
 - ♦ Five (5) majors; or
 - ♦ Four (4) majors and one (1) minor; or
 - ♦ Three (3) majors and three (3) minors.
 - ♦ Four Tertiary (T or H) courses (minimum)
 - ♦ Four (4) course areas
- » **STANDARD PACKAGE STUDENTS MUST HAVE:**
 - ♦ Minimum of four (4) A, T, M, H, C, or E courses
 - ♦ Four (4) course areas
 - ♦ Do you want to study an ASBA? Yes No
 - ♦ Have you spoken with the VET Coordinator? Yes No
 - ♦ Have you spoken with the Careers and Future Pathways Facilitator? Yes No

One point is earned with each subject studied every semester – so long as the student does NOT void.

* *It is recommended that students choose to study a minimum of five (5) to six (6) courses of study in Year 11 to permit flexibility and scope for package variations.*

Subject Selection Interview:

I accept the College subject recommendations detailed during the subject selection interview, and understand that there is a commitment to monitor and track student progress to inform a review of subject preferences that differ to the recommendations in Semester 2.
