

Personal Digital Device Agreement

Students and parents/carers to complete all other fields.

To have access to the computer network at St Clare's College with a personal electronic device of your own, such as a laptop, tablet, smart phone or wifi-enabled storage device, you need to follow these agreed practices.

Student Agreement

The school has given permission to bring and use personal devices for educational purposes:-

I will:

- Only use personal electronic devices that have been approved by my school for use on the school's network.
- Follow all the conditions I have agreed to in the Student Acceptable Use Agreement when using an approved personal digital device.
- Follow instructions given by a teacher about my personal electronic device, including putting away the device on request and only using approved applications while the device accesses the school network.
- Ensure my device is stored securely when not in use.

I will not:

- While at school, lend my device to others.
